

LIGHTS OF ARTSAKH

SUMMER CAMP IN EREVAN FROM 07/10 TO 08/14

Հարժուճ
le mouvement

A summer camp for the Artsakh kids

To who is this camp for ?

This summer camp has been created for the artsakh kids who had been transferred from Artsakh to Yerevan and in the neighbouring regions.

It allows children, who have gone through hardships and often in need, to live a collective and educational experience allowing them to grow, have fun and learn in a healthy and fun environment.

The camp can accommodate 100 children aged 7-14.

A fun and educational summer camp

The goal ?

Develop children's physical and cognitive capacities through lessons, thematic conversations, games, excursions and adapted psychological support.

A remarkable reception centre

B. Jamkotchyan High School in Yerevan

To organise the children's summer rest, the school and its director provide the following resources:

- the school building
- the gymnasium
- playgrounds
- the classrooms
- the library
- the documentation and information centre
- the kitchens and the refectory

Director of the school:

Mr. Hovhannes KARAPETYAN. PhD in pedagogy

A qualified teaching team

Experienced specialists

The program is managed by:
Hovhannes KARAPETYAN, PhD in pedagogy
and director of the B. Jamkotchyan high school in
Yerevan.

The team:

- 6 teachers
- 1 psychologist
- 1 nurse
- 1 physical education teacher
- 1 police officer (traffic)
- 2 cooks (chef + cook)
- 2 drivers
- 1 cleaning lady
- 1 purchasing manager

Tailor-made activities

The camp program is based on 3 orientations:

Educational and pedagogical activities

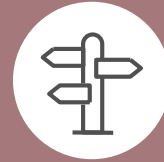

Physical and sports activities

Cultural activities: Armenian music and dance, tourism, visits to historical monuments and Armenian heritage.

Tailor-made activities

Fun activities will be developed around the safety and health of children:

- Road safety
- First aid in case of drowning
- First aid for wounds and scratches
- Food: benefits and dangers
- What to do when you are bitten by an insect?
- Sunstroke: Symptoms and first aid
- Foot and hand hygiene
- safety at home, in the street, in transport
- The respect of safety rules in aquatic areas
- Water: the source of life

Children's well-being: a priority

The teaching team's mission is to create optimal living conditions in the camp to ensure a fair organisation of leisure activities, the acquisition of cognitive skills, the development of their general culture and psychological support adapted to each child.

Health care in the camp is provided by the nurse who is responsible for:

- the organisation and service of meals
- the implementation of physical education and sports exercises
- hygiene
- prevention of epidemics, awareness-raising actions
- health supervision of excursions.

Access to a healthy and varied diet

The summer camp covers a large part of the meals:

- breakfast
- lunch
- snack

Meals are made by two experienced cooks who put their skills at the service of children's development with the preparation of gourmet, balanced and healthy meals.

Discovering Armenian heritage

For a month, each child gets to do 5 excursions in order to discover Armenian historical and natural heritage:

- Etchmiadzin - Sardarapat
- Khor-Virap - Noravank
- Sévan - Dilijan
- Garni - Guéghard
- City of Gyumri

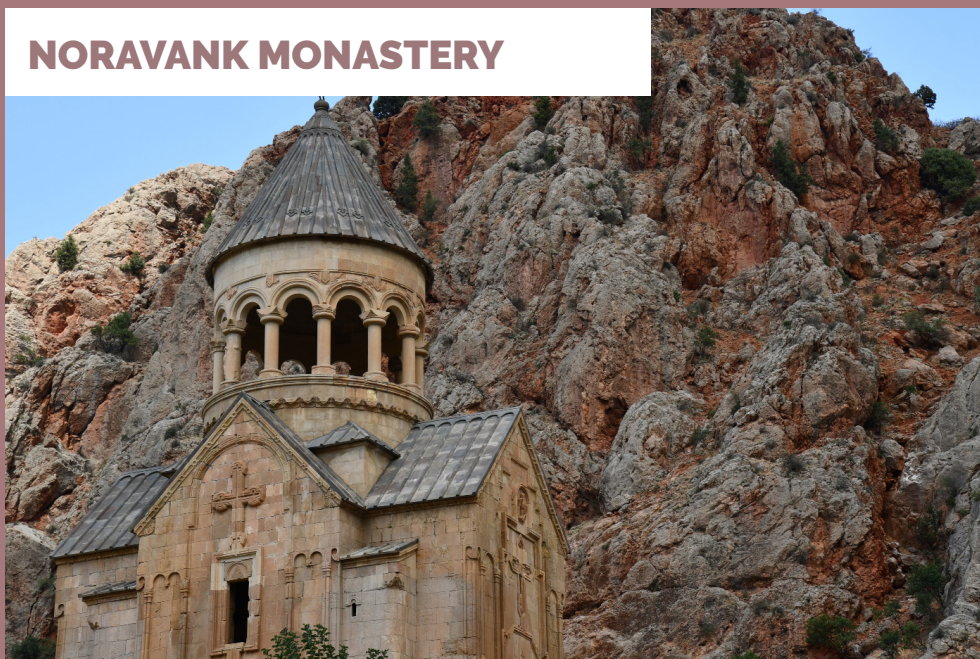

GARNI

ETCHMIADZIN

NORAVANK MONASTERY

KHOR VIRAP MONASTERY

Transport support

The summer camp also takes care of transporting the children from their homes to high school.

All excursions are provided by a MERCEDES SPRINTER minibus.
