The lights of Artsakh

Summer 2022

Introduction to the project

In order to guarantee the continuation of the 2021 edition (5 weeks during summer, one week in October and one week in December), the youth camp will welcome the same children. Some have returned to Artsakh, so the newcomers will be in priority children with a parent who is on the border protecting the country.

The 2022 edition will give these children who have endured hardships and generally in need, the opportunity to live a collective and educational experience, enabling them to grow, have fun and learn in a healthy and playful environment.

The youth camp will welcome 105 children aged from 7 to 14 years old.

Location: Yerevan High School 119

The following facilities will be provided for the children:

- the entire school building which includes classrooms and library
- the gymnasium
- the playgrounds
- the documentation and information center
- the kitchens and lunch room

**Educational,
recreational and
pedagogical
activities**

**Physical and sports
activities**

**Cultural activities:
Armenian music
and dance,
tourism, visits of
historical
monuments and of
the Armenian
heritage**

Camp goal:

**To develop children's physical
and cognitive abilities through
classes, thematic
conversations, games,
excursions, and special
psychological support**

The organization

On site, the children will find a team of specialists in pedagogy and education.

The 3 daily meals will be cooked by two experienced cooks who will prepare nutritionally balanced and healthy meals in consultation with the nurse.
